

Missionary Kids

Missionary kids (or MKs) are the children of missionary parents, and thus born and raised on the “mission-field”. They form a subset of third culture kids (TCKs). We know that it’s a wonderful privilege but it can also be a challenge. We have created an environment specifically designed for MKs and TCKs. They will have an opportunity to connect, discuss and enjoy their time at ICOM in their own group at designated times, while interacting with the hundreds of teens also participating in SICOM activities!

Why SICOM?

Students (6th-12th) attend FREE with church registration!

For 20 years, SICOM has been helping students find their personal ministry and purpose through interactive missions experiences.

Our goal is to mobilize their potential and to ignite their passion to demonstrate God’s love to a broken world.

Barna research studies found that 74% of Senior Pastors stated that the top-rated element in youth ministry is short term mission trips. Come learn more about where God might lead your group!

Youth groups will interact first hand with missionaries through a prayer time where the missionary will be able to tell their story and missions journey, as well as answer student questions.

MEAL MAKING

Your students will not only help make the world's most nutritious meal for a child, but they will also learn about world hunger and the impact that it has on the quality of life in a third world country.
